

# 2nd Annual Mixer Driver Championship

Sponsored by

**LOUISIANA COMPANIES**  
A RISK STRATEGY FIRM

## Monday, May 7, 2018

Evangeline Downs Hotel  
2235 Creswell Lane Ext., Lot B  
Opelousas, LA 70570

## COMPETITION INFORMATION

Companies must complete the registration form and have each driver complete the Driver Information section on the form. **Entry deadline is April 23, 2018.**

For each company entering a driver in the competition, we ask that you provide a company representative to participate as a judge or work at the competition.

Drivers will compete and accumulate points in three categories to compile a final score: Written exam, Truck Inspection and Challenge Course. Awards will be given for 1st Place (\$500), 2nd Place (\$300) and 3rd Place (\$200). The 1st place winner (if an employee of a NRMCA member company) will go on to represent Louisiana at the National Ready Mixed Concrete Association's National Driver Championship in Washington, D.C. on September 30, 2018. CAAL will pay up to \$2,000 in travel expenses for the winner to go to Washington, DC.

For the NRMCA National Championship, all entrants must be current employees of NRMCA member companies. If a State Association Champion is not an NRMCA member, either his/her company may join mid-year allowing them to compete, or the State Association may forward application(s) for their 2nd and/or 3rd place winners to compete.

The Course will include eight (8) challenges and the egg break fun challenge. The rules for the drivers during competition are: 1) Must wear seat belt. 2) Must remain seated while driving. 3) Head must remain inside the cab at all times. 4) No cell phones allowed in the cab. 5) No communication allowed with anyone other than judges while on the challenge course. There will be a separate waiting area for drivers away from the challenge course.

Study materials for the exam are the five modules from NRMCA's Concrete Delivery Professional Certification Program (product knowledge, environmental, safety, company relations and operations) and the NRMCA Truck Mixer Driver Manual. Exam questions will come from the reference materials. All questions will be either true or false and multiple choice. The exam will be 2 hours in length.

**Mixer trucks for the competition will be automatic, tandem axle, rear discharge trucks provided by:**

*CAAL reserves the right to change, adjust scoring criteria, add or delete challenges from the Mixer Driver Championship from year to year.*
